

Anyone can be a Pueblo Zoo Parent: individuals, families, schools and classes, businesses, clubs, youth groups, community organizations, employee groups, in fact, anyone with an interest in helping preserve animals and their habitats and furthering conservation education. You know you are making a . . .

Difference in the world of animals because your "adoption fee" helps underwrite Pueblo Zoo's programs. This is your opportunity to share the pride and pleasure of caring for some of the world's most beautiful and interesting living things.

Options include ADOPTing on a share basis if your piggy bank won't cover the full cost of ADOPTing your favorite animal. Shares cost \$25 each and are available for any animal listed at \$50 or more on the enclosed ADOPTion list. Or give a gift of an ADOPTion, knowing that ADOPTions make the **wildest** of gifts for holidays, birthdays, and other special occasions.

Parent perks include a personalized Certificate of Adoption suitable for framing, recognition on the ADOPTion exhibit board for one year, year's subscription to ZooNews newsletter, and the satisfying feeling of helping your fellow creatures. Why not. . .

Take a few minutes right now to become a special kind of parent by ADOPTing a **wild child**. Choose a favorite animal from the enclosed list, "Wild Children Available for ADOPTion at the Pueblo Zoo," complete and send the Animal ADOPTion Order Form to the Zoo. Your ADOPTion is for one year, and you will be notified at renewal time.
