

# PUEBLO ZOO SUMMER CAMPS

If you can't find the answer to your question, please email Heather at [hdewey@pueblozoo.org](mailto:hdewey@pueblozoo.org)

## BEFORE YOU ARRIVE

Make sure your camper is wearing:

- sunscreen
- bug spray
- closed-toe shoes
- clothing appropriate for play!

You can send along your own sunscreen and bug spray, although we have some here at all times. Please send a water bottle along so we can help the campers stay hydrated. Also- label all their stuff! That way, if/when they lose it, we can return it to you.

## FOOD

The zoo will provide morning and afternoon snacks (individually wrapped snacks like fruit snacks, Goldfish, animal crackers, Veggie Straws, etc.) You are welcome to pack something for your camper if you prefer. If you pack a lunch for your camper, please make sure there is nothing that needs to be heated. We have a refrigerator, but not an easily accessible way to heat food.

Pizza Fridays! We will be offering everyone the opportunity to buy a pizza lunch on Fridays. The cost will be \$5.00. You can select this option when completing your online registration.

## DROP OFF/PICK UP

Most weeks we will have drop off/pick up at the Mandari entrance, not at the main gate. If there are any changes to this procedure you will be notified the week before your camp begins.

## CAMPER EXPECTATIONS

We are always excited to bring old friends together and see new friendships grow at summer camp! We hope that your camper is able to bring their best individual self to camp each day. We will address any behavioral concerns as they are presented. We very rarely see difficult situations that are without a solution.

In the event that a camper is unable to treat others with respect, a parent or guardian will be notified in an effort to help understand the problem and fix it. If a solution cannot be found, we do reserve the right to ask campers not to return. We have a zero-tolerance policy for bullying or name-calling behaviors. Please help us by reminding your camper that the children at camp and the educators facilitating their group should be treated with respect and kindness.

*Good Vibes Only*

# HEALTH AND SAFETY

IF YOUR CAMPER IS NOT FEELING WELL AND/OR IS SYMPTOMATIC OF COVID-19 OR ANY OTHER ILLNESS, PLEASE DO NOT SEND YOUR CAMPER TO THE ZOO.

Any campers not feeling well during their day at camp can go home early. Please make sure your main and emergency contact information is correct on the registration and remember to update us with any changes after the registration has been submitted.

Campers will be supervised by two adult educators, assisted by teen volunteers. Any camper responsible for physically harming another camper or staff member will be sent home immediately and not permitted to return. If a child is injured during camp, the parent or guardian will be notified at the time of the injury or at pick up, dependent upon the severity of the injury.

## ZOO CAMP ADD-ONS

If you ordered a t-shirt, scarf, water bottle, or hat they will be given to your camper on the first day of camp.

pricing for these items:

Shirt- \$10

Cooling scarf- \$5.00

Water bottle- \$10.00

Foldable hat with pouch- \$5.00

Additional tote bags- \$5.00

All of the above items can be added to the registration form and paid for during the online checkout process. If you would like to purchase items after registering, please contact our education administrator at [asmith@pueblozoo.org](mailto:asmith@pueblozoo.org).
