

PUEBLO ZOO SUMMER CAMPS

If you can't find the answer to your question, please email Heather at hdewey@pueblozoo.org

BEFORE YOU ARRIVE

Make sure your camper is wearing:

- sunscreen
- bug spray
- closed-toe shoes
- clothing appropriate for play!

You can send along your own sunscreen and bug spray, although we have some here at all times. Please send a water bottle along so we can help the campers stay hydrated. Also- label all their stuff! That way, if/when they lose it, we can return it to you.

FOOD

The zoo will provide morning and afternoon snacks (individually wrapped snacks like fruit snacks, Goldfish, animal crackers, Veggie Straws, etc.) You are welcome to pack something for your camper if you prefer. If you bought a lunch for your camper, they will be provided with that each day. If you pack a lunch for your camper, please make sure there is nothing that needs to be heated. We have a refrigerator, but not an easily accessible way to heating food.

Pizza Fridays! We will be offering everyone the opportunity to buy a pizza lunch on Fridays. The cost will be \$5.00. If you wish to take part in this lunch offering, please let us know on Monday of your camp week.

CAMPER EXPECTATIONS

We are always excited to bring old friends together and see new friendships grow at summer camp! We hope that your camper is able to bring their best individual self to camp each day. We will address any behavioral concerns as they are presented. We very rarely see difficult situations that are without a solution.

Good
Vibes
Only

In the event that a camper is unable to treat others with respect, a parent or guardian will be notified in an effort to help understand the problem and fix it. If a solution cannot be found, we do reserve the right to ask campers not to return. Please help us by reminding your camper that the children at camp and the educators facilitating their group should be treated with respect and kindness.

HEALTH AND SAFETY

Currently, we are cautiously optimistic that all campers and staff will be able to go WITHOUT masks this summer, both indoors and outdoors. We do reserve the authority to change this decision, should the overall COVID situation change.

We also respect every individual's choice wear a mask, even if it is not required. We expect all campers to afford that same respect with their peers and instructors.

We expect campers and their families to follow the same protocol that they most likely have all year long while attending school:

IF YOUR CAMPER IS NOT FEELING WELL AND/OR IS SYMPTOMATIC OF COVID-19 OR ANY OTHER ILLNESS, PLEASE DO NOT SEND YOUR CAMPER TO THE ZOO.
